

Subject: STEM Scholarship Opportunity

CFL NDIA Members

Thanks to your generosity, the CFL NDIA Chapter has contributed over \$70,000 towards STEM/college scholarships and other CFL STEM activities over the past 10 years. These scholarships have gone to outstanding JROTC cadets at local high schools and Air Force and Army ROTC cadets at UCF.

We are offering the opportunity for three (3) NDIA member company sponsorships for each NDIA luncheon. There are six (6) planned luncheons for Calendar Year 2018 - providing 18 sponsorship opportunities for a contribution of \$300 per company (per event); \$1800 for the year of luncheons. With this contribution you will receive:

- Your company logo in the luncheon program
- Acknowledgement at the luncheon
- The opportunity to leave a 1-page marketing sheet on the tables (provided by the sponsor)
- 2 free sponsoring company attendees with seats at the head table

We hope you will partner with us in support of this worthy cause. The schedule for the 2016 NDIA Luncheons are as follows:

January 25, 2018 (GEN Hawk Carlisle, USAF (Ret.), President, NDIA)

March 22, 2018 (COL Robert Epstein, Commander, Air Force Agency for Modeling and Simulation)

May 17, 2018 (PEO STRI Speaker)

July 26, 2018 (Speaker TBD; 2017 Speaker - James Gregorius, Assistant Director, FLETC)

September 20, 2018 (NAWC TSD Speaker)

November 10, 2018 (USMC PM TRASYS Speaker)

Please contact Trevor Huth ([trevor.huth@parsons.com](mailto:trevor.huth@parsons.com) and 407.493.1657) to request a sponsorship date or with related questions.

Sincerely,

Trevor Huth  
President, Central Florida Chapter, NDIA
